

Explorer Club

For Sixth-, Seventh-, and Eighth-Graders

The Explorer Club Learning for Life career education program is for young men and women who are in the sixth, seventh, and eighth grades.

The Explorer Club's purpose is to provide experiences to help young people learn about different careers.

Real-World Career Experiences Exploring®

The Exploring Learning for Life career education program is for young men and women who are at least 14 (and have completed the eighth grade) or 15 years of age but not yet 21 years old.

Exploring's purpose is to provide experiences to help young people mature and become responsible and caring adults. Explorers are ready to explore the meaning of interdependence in their personal relationships.

YOUTH APPLICATION

Exploring is based on a unique and dynamic relationship between youth and the organizations in their communities. Local community organizations initiate a specific Explorer post or club by matching their people and program resources to the interests of young people in the community. The result is a program of activities that helps youth pursue their special interests, grow, and develop.

Explorer posts/clubs can specialize in a variety of career skills. Exploring programs are based upon five areas of emphasis: career opportunities, life skills, citizenship, character education, and leadership experience.

Tips for completing the Application for Exploring Youth Participant:

- Print—do not use cursive.
- Use black or dark blue ink.
- Press firmly when printing.
- Print one letter only in each box.
- Use uppercase letters and stay within the blue boxes for legibility.
- Fill in circles; do not use check marks.
