The Euclid Citizen's Police Academy Alumni Association

March 2010

PRESIDENT'S CORNER

March is here again and you all know what that means: it's time for the annual pistol match!

If there's one event where we need lots of participation, this is it. There are many positions to cover as far as volunteers are concerned so I hope everyone can spare a few hours over the course of the 2-day event.

The pistol match is just one of many events coming up, in which we participate: there's the GCPOMS 25th Annual Commemoration Weekend in May, followed by the Euclid Memorial Day Parade where we hope to have everyone marching. In June there's the EPD Bike Auction, in July the Holiday Treat and then finally the concession stand at the PAL summer basketball games.

I look forward to working with everyone to make all of these events successful for the ECPAAA.

St. Patrick's Day!*

March Speaker

Our speaker in March, Jacqueline King from the U.S. Department of Commerce, U.S. Census Bureau, came to inform us on the upcoming 2010 census. The U.S. census is taken every ten years, as specified by the Constitution, for the main purpose of determining our proper representation in Washington. The results are also used to determine where government funds should be distributed.

If Euclid's population has fallen below 50,000, as is feared, we could lose important funding for our city.
