

*Have you or someone you know decided that it is time to get help for a substance use disorder?
Don't know where to start?*

Safe Passages and Project SOAR can help.

Safe Passages – a program that allows individuals suffering from substance use disorder to come to police stations to get connected with help. Individuals who voluntarily go to a police station will be directed to treatment, not arrested. The following police departments have a Safe Passages program:

- Bedford Police Dept.
165 Center Rd.
440.232.7600
- Berea Police Dept.
17 Berea Commons
440.234.1234
