Euclid Police were actively patrolling the area of Euclid High School, after learning of a possible threat involving a shooting that could be happening after school was released. Patrol and Community Response Unit officers (CRU) located four suspicious individuals outside of the school and discovered them to be armed. Several foot chases ensued with officers recovering three semi-automatic pistols from juveniles. Upon school letting out, several groups of juveniles started to fight. The EPD patrol shift responded to the High School and utilized pepper spray and pepper ball launchers to quell the disturbance. Due to the number of students and severity of the situation, a riot was declared and juveniles were advised by loud speaker to leave the area. Police conducted a traffic stop on a suspicious vehicle and seized another gun.
