Using Weapons While Intoxicated: On 03/07/2025, Euclid police officers, who are currently assigned to the Community Response Unit, conducted a traffic stop on a motor vehicle due to the registration being expired. During the course of the traffic stop, an open container containing an alcoholic beverage was observed in plain view within the passenger compartment of the motor vehicle. During a subsequent search of the passenger compartment, a second open container containing an alcoholic beverage was located. The driver of the motor vehicle admitted to consuming alcohol from both of the open containers during the time preceding the traffic stop. At the time of the traffic stop, the driver of the motor vehicle was in possession of a semi-automatic pistol, which was seized, due to: the driver's admission of consuming alcohol, possession of multiple open containers containing an alcoholic beverage, and having an odor associated with an alcoholic beverage emitting from his person. The driver of the motor vehicle submitted to field sobriety testing, but was not determined to be above the prohibited "per se" legal limit.
